EXAMINER

ART UNIT      PAPER

1644      11022006

DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

Upon a review of the allowed claims, it was noted that claims 22, 29 and 30 depend upon claim 31 rather than claim 21, which is not proper at allowance.

Upon inquiry by the examiner on October 31, 2006, applicant noted that claims 22, 29, and 30 were correct in their dependency on claim 31 (versus claim 21).

The examiner indicated that the allowed claims 21, 22, 29, 30, 31 and 32 will be re-numbered 1, 4-6, 2-3, accordingly.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Phillip Gambel whose telephone number is (571) 272-0844. The examiner can normally be reached Monday through Thursday from 7:30 am to 6:00 pm. A message may be left on the examiner's voice mail service. If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Christina Chan can be reached on (571) 272-0841.

The fax number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
